# **Greater Greenwood Community Garden**

## **Rules and Conditions for Membership**

- 1.) **YOU DO NOT OWN YOUR PLOT.** You are being given an opportunity to garden a small parcel of City of Greenwood park land. Use of your plot is a **privilege, not a right.** If you do not have time to actively garden your plot in an acceptable manner, do not reserve a plot.
- 2.) **STAY OUT OF OTHER PEOPLE'S PLOTS (AND KEEP YOUR CHILDREN OUT OF OTHER PEOPLE'S PLOTS) UNLESS SPECIFICALLY INVITED.** Gardening activity and plant growth must be restricted to your plot.
- 3.) **DO NOT TAKE OR PICK ANYTHING FROM ANOTHER GARDENER'S PLOT.** You may not remove ANYTHING from anyone else's plot without their permission. Theft will not be tolerated and will result in a permanent revocation of garden membership privileges.
- 4.) **NO TREES OR SHRUBS ALLOWED.** Plantings in the Community Garden shall be limited to vegetables and ornamental (flower) planting only. Nothing may be planted that will grow taller than a corn stalk. Perennials are planted at your own risk.
- 5.) **STANDING TOWERS AND WALLS ARE NOT ALLOWED.** "High-rise" structures, walls, or any construction or assemblage of materials that encloses a plot or intrudes on another's is not permitted. Nothing in the plot may be erected, placed or planted that is higher than a typical corn-stalk. Only one side of a garden plot can have vertical trellis-like, open, airy structures for supporting climbing vegetables, vines or flowers. Poles, stakes, cages and other supports that are used for plants are allowed. **DO NOT ERECT ANYTHING THAT WILL INTERFERE WITH ACCESS TO OR CREATE SHADE ON NEARBY OR ADJACENT PLOTS.**
- 6.) **YOU MUST MAINTAIN YOUR PLOT IN AN ACCEPTABLE MANNER.** **There is no such thing as in-active gardening.** You are expected to actively garden your plot (digging, sowing, planting, weeding, pruning, watering, harvesting, etc.) at least two hours per week during the growing season.
- 7.) **ABANDONED OR INACTIVE PLOTS WILL BE CLEARED AND FORFEITED.** A warning letter will be mailed to any gardener whose plot looks

untended. Weeds gone to seed are one example of abandonment. The gardener will then be given ten (10) days to remedy the situation. If, after ten (10) days, the situation has not been corrected, the plot will be considered abandoned, and will be cleared or roto-tilled and assigned to another gardener. No refunds will be issued for abandoned plots.

- 8.) **NO CHEMICAL PESTICIDES ALLOWED.** All gardening activity must be completely, 100 percent organic. No synthetic/chemical herbicides, pesticides, fungicides or synthetic fertilizers are permitted on the site, including treated wood products used as edges/borders, unless prior approval is obtained from the City.
- 9.) **NO FERTILIZER ALLOWED. The use of animal feces, non-vegetable matter (such as meat, fish or dairy), kitty litter, newspapers, grease or other non-organic matter is strictly prohibited.**
- 10.) **NO PETS ALLOWED IN THE GARDEN AT ANY TIME.**
- 11.) **YOU MUST WEAR APPROPRIATE SAFETY ATTIRE WHILE GARDENING.** Shirts and closed-toe, low-heeled, rubber sole shoes are required to be worn at all times while gardening.
- 12.) **CLOSELY SUPERVISE YOUR CHILDREN.** Children under the age of 12 years of age should be closely monitored so that they do not wander or enter another gardener's plot area. Running is not allowed in the garden area.
- 13.) **EACH GARDENER IS RESPONSIBLE FOR WEEDING HIS/HER PLOT AND THE PATHS AROUND IT.** Plot borders should be kept to the standard 20 x 20 so as not to encroach on pathways or other plots. Pathways between plots should be clear. Personal gardening tools/equipment should be stored in your plot or in a shed or common storage area, not in the pathways. Vegetation from plots should not hang into pathways.
- 14.) **DISPOSE OF YOUR WASTE MATERIALS EACH TIME YOU LEAVE THE GARDEN.** Trash receptacles are provided on-site for this purpose. *Plant waste should be disposed of in the following manner: Shake dirt off the roots and retain soil at the garden site. Dispose of plant waste in the compost pile located at the northwest corner of the site. Non-Plant waste, such as plastic, wire, rope, etc should be disposed of in the green trash barrels provided around the garden site.* Wood boards that are the same height as the green cans may be placed within the cans. Taller boards should be placed neatly next to the cans. Do not put rocks or cement chunks into the green cans. Lay them neatly next to the cans or near the rock pile at the site so that they may be used as part of the community flower bed borders.
- 15.) **DISEASED OR PEST-INFESTED PLANTS SHOULD BE REMOVED.** Ongoing control of pest grasses and weeds is required at all times.

- 16.) **HOSES SHOULD BE TURNED OFF WHEN NOT IN USE. YOU TURN IT ON, YOU TURN IT OFF. EVERYONE IS CONSIDERED THE LAST VISITOR OF THE DAY.** Before leaving the garden, each gardener is responsible for checking to make sure all hoses are completely turned off, unless making specific arrangements with another user. When using hoses, take care not to damage other garden plots and when finished watering, please untangle and neatly curl up hoses. Never water another's plot unless you have been asked to do so.
- 17.) **VOLUNTEER IN THE GARDEN.** Each Gardener is required to donate two (2) hours of community garden volunteer time per month/per plot for the maintenance and development of the common areas and to record the hours in the volunteer log at the Greenwood Community Center. The Garden is an all-volunteer effort and maintenance needs to be done daily.
- 18.) **HARVEST ALL RIPE FRUIT AND VEGETABLES ON A DAILY BASIS.**
- 19.) **DEADLINE FOR HARVEST OF ALL PLANTS IS NO LATER THAN NOVEMBER 10<sup>TH</sup>.**
- 20.) **RENTED PLOT MUST BE CLEARED OF ALL DEAD PLANTS AND PREPARED FOR WINTER NO LATER THAN THE 15<sup>TH</sup> OF NOVEMBER.** After that date, all remaining plants will be mowed and the site may be roto-tilled.
- 21.) The City of Greenwood reserves the right to close the garden as needed, without notice, for inclement weather, maintenance and repairs.

I attest that I am at least Eighteen (18) years of age, and that I have read, understand and agree to abide by the above-outlined Rules and Conditions for Membership to the Greater Greenwood Community Garden. I further understand that failure to follow the Rules and Conditions for Membership to the Greater Greenwood Community Garden may result in my garden privileges being revoked and/or my garden plot(s) being re-assigned.
